**APPLICATION DEADLINE February 17, 2012
ALL WORK DELIVERED BY March 2, 2012**

**27TH ANNUAL STORRS ALL HIGH PHOTO SHOW
EXHIBITION DATES: March 18-April 6, 2012**

The 27TH ANNUAL STORRS ALL HIGH PHOTO SHOW is open to students in grades 9-12 in public and private schools in New York State. Photos may be submitted by photography students, a photography club or individual students who do not have access to in-school darkroom facilities, but ALL photos must be submitted through a teacher. Photographs may be shot with 35mm or digital, but processing must be indicated on the enclosed photo labels and Gallery Label Form. Processing is either darkroom printed or non-darkroom meaning that the student's film/images as well as prints were not produced in a darkroom. Non-darkroom processing includes computer imaging equipment and printers, and commercial photo printers.

In 2005, artist William Storrs passed away. A former art teacher, Bill was devoted to bringing visual arts programming to the Kenan Center and helped to create the first All High Photo Show. In his memory, the Kenan Center has renamed the Photo Show the "Storrs All High Photo Show."

STUDENT STATEMENTS

For the past four years, we have asked that students provide a very brief statement about their photograph which is posted next to each school's submissions. This has proved to be extremely well received by our visitors! While this is optional, it adds a very special element to the show. Teachers are welcome, as well, to provide a statement about the students' work as a whole. Please have each student prepare a short 1-2 sentence reflection/explanation of their photo. **For expediency, please type out all statements, with the students' names, on a one page Word doc and email to Alyssa Neglia at aneglia@kenancenter.org.** Please remember to include the school name and your name so we can match up the statements with the school. **We must have statements by March 2.**

REQUIREMENTS

- Black and white and/or color photos that have been taken within the last two years and not previously exhibited at Kenan Center are eligible.
- Frames are not required, but all work must be matted. White or neutral colored mats are suggested.
- Submissions must be suitable for wall display and may not exceed 30" in height or width. Framed works must be ready for hanging with **secure corners and wire attached on the back**. (TOOTH BRACKETS ARE NOT ACCEPTABLE.) The Kenan Center is not responsible for replacing frames if glass breaks due to poorly attached hanging wires. PLEASE DO NOT USE MASKING TAPE TO SECURE HANGING WIRES.
- A **MAXIMUM** of 12 entries per school will be accepted with **ONE ENTRY PER STUDENT**.
- In computer generated/manipulated compositions, at least ONE image must be an original, student-taken image.
