

The Kenan Center Campus & Programs

Facilities on the Kenan Center campus include a sports arena, a converted carriage-house theater and community gathering room, an education building, outdoor recreational fields, playground, and the Kenan house, an 1800's Victorian mansion featuring a year-round art gallery, gift shop and formal gardens. Mrs. Kenan's restored sitting room, also known as the Ladies' Parlor, presents visitors with a glimpse into turn-of-the-century life.

The Kenan Center provides a variety of educational experiences for all ages that includes Lifelong Learning Classes, a Nursery School, Kindermusik and tours and special programs related to the admission-free Kenan Center House Gallery. The Kenan Arena houses numerous sports and recreational programs including one of the largest indoor youth soccer programs in Western New York, a growing high school lacrosse program, soccer and football clinics, and adult soccer and volleyball. It is also the site of annual special events such as the Kenan Center's *100 American Craftsmen* show which celebrates the "art of craft."

The Kenan Center plays a prominent role as a regional arts and culture provider. The Center's on-school-time program, *ARTiculations*, serves a broad region, engaging students and teachers from all across Western New York. A new Music Arts Program starting in the summer of 2008, in partnership with the Lockport School District, will provide area young people with string, instrumental and chorale instruction, rehearsal and band/orchestra.
